The Chateau
Spa & Organic Wellness Resort

The Chateau is the world's first organic spa and wellness resort. Inspired by the 12th century "Haut Koenigsbourg" castle in Alsace, France, The Chateau offers guests a complete organic experience as well as impeccable service and unsurpassed hospitality standards. La Santé Organic Wellness Spa sets a new benchmark for a destination spa which blends the best of European spa expertise with renowned Asian hospitality.

From the organic hand towel and welcome drinks offered upon the guests' arrival; to its 100% organic bed and linens in the rooms, organic bathroom amenities of 'VOYA' product range (hand harvested seaweed from untouched ocean bed of Ireland); delightful organic cuisines; and spa treatments, The Chateau offers an extraordinary organic wellness experience for her guests, coupled with unsurpassed hospitality standards and impeccable service.

With a guiding environmental philosophy: "We have a heart for the planet"; The Chateau evidently cares for the planet through the use of the latest in environmental technology and best practices in operating the resort. The environment practices are such as, the use of Japan's newest technology (a composting machine) that recycles leftover organic food to organic fertilizer; converting a chlorinated swimming pool to a salt pool; the use of bio-degradable chemical in laundry and washing; use of recycling paper; and have cultivated three organic farms to supply fresh organic produce for the kitchen.

Imagine basking in the opulence of our prestigious Seven Stars and Six Stripes awarded fine dining French restaurant, **L'assiette** for dinner which gives you the experience of a posh and elegant dinner like no other.

For lunch on the other hand, relax by the poolside at the all-day dining **La Vie** as we help you successfully carry out your event. You can rest assure that your dining experience would be one that is gastronomically satisfying and emotionally fulfilling.

For those who favor having drinks and a cigar during their leisurely hours, the Salon and LeRouge are perfect to unwind and simply bask in the naturally luxurious environment.

As for our menu, envision a gastronomical journey through a wide variety of delectable local and French gourmet as well as other international delights that would tantalize your taste buds.

Our dedicated, warm and professional staffs are here for your event. Accommodating groups from 10 to 200 guests, The Chateau Spa & Organic Wellness Resort wonderfully makes your group feel special and opens its doors to a world of self-discovery of personal wellness and complete well-being.
