Pampering in Paradise

Indulge yourselves in a sublime spa honeymoon
in the romantic tropical rainforests of Malaysia

There's no doubt about it, the most important day of your life, your wedding day, can also be the most stressful, so if you are looking to immerse yourselves in total tranquility and harmony after your wedding, then allow your stresses to be scrubbed away in a luxuriously exotic haven in the ultimate couples pampering experience.

The Chateau

The Chateau is the world's first organic wellness destination spa, in an idyllic setting, rising majestically amidst a 150-million-year-old tropical rainforest. The Chateau nestles serenely in the Berjaya Hills Malaysia and offers the ultimate in health and wellness enrichment.

Modelled to recreate an 18th century Medieval 'Haut Koenigsburg' castle in Alsace, France, The Chateau boasts 210 elegant rooms and suites. It has opened its door to cater for both spa junkies and those who are new to a destination spa experience, and offers a haven to explore the path towards total wellbeing. It also provides an intimate experience for newlyweds to share as they relax in total harmony together.

An organic experience

The Chateau prides itself on providing its guests with luxurious accommodation and cuisine, offering the finest array of organic produce – from organic toiletries and bed linen to an unprecedented organic gourmet dining experience that will delight

even the sharpest of palates. Only the freshest produce is served, this has been nurtured by hand in proud organic tradition from its very own ecologically grown gardens. The Chateau's team of epicurean specialists create exquisite menus and gastronomy that is inspired by wellness, including exquisite organic wine and beer as well as fresh organic fruits and delights.

Spa sanctuary

In the Chateau's European-inspired state-of-the-art La Santa Spa, a definitive organic destination spa ritual is an integral part of the experience. Available in three, five, and seven night packages, these specially designed programmes include delightful accommodation in The Chateau's spa rooms featuring the plushiest organic cotton sheets, daily meals created by your very own dietician, special treats and complete daily fitness and wellness programmes.

The intuitive spa personnel deliver personalised therapies and programmes that are designed to meet individual needs and health goals ranging from body pampering, beauty, anti-stress, body cleansing, fitness, weight loss, and most interestingly for honeymooners, the couple retreat, whilst also offering gentle guidance in the areas of nutrition and exercise.

La Santa prides itself on being the first to offer its clientele the use of innovative European thermal facilities which include a herbal infused steam chamber, salt grotto or mud chamber, and a Soap Brush/Aqueveda heated bed with automatic body scrub facilities.

Philosophy

Advocating a lifestyle approach to personal wellness in a non-regimented way is the mainstay of this magnificent resort where couples will leave feeling relaxed, invigorated and with a definite promise to return. With the resort's fundamental focus on progressive well-being and vitality, The Chateau is not only a retreat that embraces holistic ideas and healing principles but also one that defines the eminent journey towards wellness.
