The Chateau opens the doors for those who are new to a destination spa experience offering an idyllic haven in exploring the path towards total wellbeing. For its discerning clientele, The Chateau is a premier spa destination where guests can expect the highest and uncompromising levels of service in their quest for a lifestyle transformation. The Chateau Spa & Organic Wellness Resort is the perfect site for a wellness retreat. Amidst a 150-million year old tropical rainforest, The Chateau is nestled serenely in Berjaya Hills, Malaysia, sitting on 34,000 sq. mt. of unspoiled land and 3,000 ft. above sea level. The Chateau Spa & Organic Wellness Resort is conveniently located 45 minutes drive from the Kuala Lumpur City Center and 90 minutes drive from Kuala Lumpur International airport.

Classique rooms offer a stunning view of the mountains and rainforest. And with all the necessary to make your stay delightful.

The European designed inspired deluxe rooms are nothing less than elegant. Premier room: A unique twist to the castle setting, these contemporary rooms offer a modern and chic experience.

Spa Suite: Our guests have a choice of an en-suite living room with an outdoor private Jacuzzi or modern luxurious open-concept suite on a terrace overlooking the serenity of the rainforest and hills. Moreover the hotel offers 1 Bedroom Suite, 2 Bedroom Suites and 3 Bedroom Suites. These suites are perfect suites for the family or a couple equipped with a kitchenette and all the necessary befitting a castle stay.

Presidential Suite: The grandeur of a private entrance to the breathtaking terrains & hills, a spectacular panoramic view of an interior that is unsurplus, truly a picturesque ambience befitting royalty.

The Chateau prides itself on providing its guests with unprecedented organic gourmet dining experiences that will delight even the sharpest of palates. Selecting only fresh produce that is nurtured by hand in proud organic tradition from its very own ecologically grown gardens, The Chateau's team of epicurean specialists create exquisite gastronomical menus that is inspired by wellness.

Aquaveda bed is a specialty massage bed fully equipped with heating elements and automated body scrub facility developed and designed for the Soap Brush treatment. The body exfoliation helps to promote blood circulation and regenerates skin's vitality and glow.

Enjoy the salt grotto: This is a beautifully designed, accessorised by Swarovski crystal heated room with steam infusion dedicated for a variety of therapeutic wraps or muds. In a warm temperature of 45°C, the wraps/muds activates the elimination of body toxins and relaxes body muscles.
